On December 20th, 2021, ROBLOX announced that they would be adding system tokens to enable their users to "pre-order" an item before it is put on sale. This way users can give feedback and ROBLOX could make changes if necessary.[26]. In late 2021 when the game was seemingly more popular than ever, numerous reports were made about a player called "unikraken," as well as his group of friends he allowed in his places. This user was not banned from the site for a long time, which attracted hordes of people to his server. The servers would become infested with bots, cheats, hackers and other fraudulent activities that it slowed the game for everyone. These servers have since been taken down and ROBLOX has removed as much of these malicious players' information as they could.[27]
