On September 11, 2021, Roblox announced that they would be adding new systems to help curb and prevent problems like "Miner's Haven". They stated that users who are reported for breaking these rules will be put on a probationary moderation period, or P-mod. P-mods can say they had violated these rules for up to 72 hours. If the user continues to break the rules and continue breaking it after 72 hours, Roblox will issue a permanent ban for both the user and their account. The users who are in this moderation period will not be able to play Roblox games until 72 hours pass from when the user is released from the P-mod status. The users will also receive a warning from Roblox before they are released from the P-mod status.

On September 30th, 2021, ROBLOX released a "make your own toy" simulator called "Work at a Pizza Place". It proved very controversial as many users perceived it to be a lazy game and was rushed out without being finished. There were also many players complaining about how they could make money by selling pizza hats and shirts. However, this was only intended for people who would want to work at ROBLOX pizza.

Roblox offers a tremendous amount of games and features which, once you have played, can easily be overwhelming. If this is the case for you, keep it simple when creating your own roblox games. Choose a theme that is highly in demand right now or create something compatible with the standard ones. A simple game project can be as easy as tapping and holding three fingers on the screen to throw balls of fire at your opponents's™ faces. Do not worry if no one plays your game, since this will happen when the topic becomes old news among other players.

In August 2021, Roblox announced that they would be offering their service in China. ROBLOX later confirmed that they started to accept users from China in September 2021, during beta testing.[62] Due to Roblox's popularity on Steam Greenlight, they were removed from the platform as of October 17th, 2021.

One of the most important things you need to know is that there is no way to get free robux in the game. While users can try to create a game where they can earn some free robux, this is usually not a popular option. Instead, gamers are more interested in using other methods that allow them to get free robux on their accounts without having to pay any fees. For example, you could ask your friends for a small amount of robux that they have already obtained from playing games on their profiles. They might be happy to help you out since they know you are currently working on completing a project.

14. The only way to get a game on Roblox or get updates onto a game is through requesting it by going to the developers profile on Roblox and requesting the game, as well as getting the updates, and other stuff that goes on within the platform. 15. When people talk about games that do not function properly or have glitches within them, they should not be punished or reported because it's not their fault that there are glitches within the game. 16. Instead of banning them, developers should be able to fix these glitches without getting banned. 17. People always say that Roblox is not a safe place for kids to go on but it's a safe place for kids to play and enjoy free games because all the games are fun and most of them don't have any inappropriate content. 18. I love Roblox so much! I will never ever stop using it...
